CORPORATE SPONSOR

We welcome you to support the group dedicated to the founding of San Antonio of 1718.

New Spain had decided to further its boundaries by formally occupying a region which had already been named in 1691 and had been widely used by the Spanish prior.

Your Corporate or Business can be part of this new and exciting venture as we continue the history of firsts and foundings.

Corporate and Business sponsorships will keep you connected with special events, featured speaking presentations, newsletters, special commemorative membership plaque and more!

Please contact us 1718membership@gmail.com or call 210-385-8876 for more information on the benefits of becoming a Corporate/Business Member.
